Build a better bottom line for your landscaping business with hardscape training by VERSA-LOK Retaining Wall Systems. VERSA-LOK's unique construction allows unmatched design flexibility, ease of installation and durability. That means lower overall installation costs on every job, which is great for business. In our seminars taught by NCMA-certified instructors, you'll learn the fundamentals of installation, estimating, design and finishing details with the company that set the standard in segmental retaining wall systems. With VERSA-LOK, we'll teach you how to incorporate curves, multiangle corners, stairs, freestanding walls and columns into your landscaping projects-all without special units. Build a better future for your landscaping business with VERSA-LOK.

# SIGN UP TODAY!

## SEMINAR AGENDA

8:00	REGISTRATION
8:30	PRODUCT OVERVIEW
12:15	LUNCH (PROVIDED)
12:45-3:30	INSTALLATION DEMONSTRATION
3:30	OPTIONAL NCMA CERTIFICATION TEST

## COST IS \$20 PER ATTENDEE

### OPTIONAL NCMA CERTIFICATION AVAILABLE

We are pleased to offer you the option of becoming an NCMA Certified Segmental Retaining Wall Installer at this event. Those wishing to become certified may take the NCMA Level 1/Basic test immediately following the seminar. There is an additional \$150 fee paid to NCMA for the test and materials.
